PROFESSIONAL OVERVIEW

Dedicated .NET Developer and Computer Science student combining strong academic foundations with practical software engineering experience. Proficient in building robust applications using C#, .NET Core and modern database systems. A collaborative team player committed to clean architecture and rigorous QA standards, utilizing tools like xUnit and Moq to deliver high-quality, scalable code.

WORK EXPERIENCE

.NET Fullstack (.NET+ReactJS) intern

10Pearls Pakistan, Karachi | April 2026 – June 2026

- Developed a full-stack task management solution using ASP.NET Core Web API and React (Vite). Designed a robust data layer using Entity Framework Core and SQL Server to ensure efficient data persistence.
- Implemented secure JWT-based authentication and role-based authorization to manage user permissions and access control.
- Incorporated xUnit and Moq to perform unit testing, ensuring reliable code quality and system stability.

.NET Development Intern

CodeLabs pvt ltd. , Karachi | August 2025 – October 2025

- Developed and maintained scalable web applications using ASP.NET MVC, ensuring high performance and a clean separation of concerns.
- Implemented robust authentication and authorization logic to secure application endpoints and enforce role-based user permissions.
- Leveraged C# and the .NET framework to design and deliver high-quality backend features in a fast-paced, collaborative environment.

EDUCATION

Under Graduation (BSCS)

Sir Syed University of Engineering and Technology, Karachi

2023 – 2027 (Expected)

CGPA: 3.96

Intermediate (Pre-Engineering)

Government College for Men, Nazimabad, Karachi

2021 – 2023

Percentage: 80%

Matriculation

Quaid-e-Azam Rangers School and College, Karachi

2019 - 2021

TECHNICAL SKILLS

- ASP.NET
- Entity Framework
- Web API development
- Database Management
- Unit Testing
- SQL

SOFT SKILLS

- Communication
- Time Management
- Adaptability
- Attention to Detail
- Team Collaboration

CERTIFICATIONS

Backend Development using ASP.NET

Board Infinity

September, 2025

C# for .NET Developers

Board Infinity

August, 2025

Foundational C# with Microsoft

Microsoft

August, 2025

ACHIEVEMENTS

Best Project Award, 2nd Semester

Number System Converter – OOP

Best project Award, 4th and 5th Semester

Cache Management System - OS

Cab Management System – Web Dev
